### Disbursements

Disbursements are expenses payable to third parties upon your behalf. You are likely to incur the following disbursements:

**Stamp Duty Land Tax:** This depends upon the amount you are paying for our new property but we can calculate this for you. There is also a helpful calculator on HMRC's website which allows you to calculate the duty payable.

**Land Registration Fee:** This will vary between £20.00 and £1105.00 depending upon the purchase price of the property. We can provide you with the exact figure when we know the purchase price that you will be paying for the property. No VAT is payable on the Land Registration fee.

**Search Fees:** Search fees are usually in the region of £400.00. They vary because each local authority charges different amounts for the local search. VAT is payable on searches but our estimate of £400.00 includes the VAT payable.

**If the property is leasehold it is likely that you will have to pay the following disbursements:**

**Notice of Transfer Fee:** This is likely to be between £50.00 and £150.00. VAT is chargeable on this fee.

**Notice of Charge Fee:** This is likely to be between £50.00 and £150.00. VAT is chargeable on this fee.

**Deed of Covenant Fee:** This fee is likely to be between £150.00 and £300.00 and VAT is chargeable.

**Certificate of Compliance Fee:** This is likely to be between £50.00 and £150.00 and VAT is chargeable.
